# Inspiratie voor lijsten

The image is a collage of various website wireframes and designs, likely used as inspiration for user interface design. It includes:

- A dark-themed product page for a SteelSeries Sensei 310 mouse, showing a large image of the mouse and a price reduction from \$199 to \$100.
- A fashion brand's homepage featuring models in various outfits and promotional banners.
- A backpack store (SANDQVIST) showing a grid of backpacks with names like ALDOT, INSEVAR, WILLIAM, and ALIX.
- A gaming gear store (Featured Gears) displaying a selection of mice and headphones.
- A food delivery app (Matseðill) showing meal options like Kjölklingabringur and Gummipasta.
- A search results page from MediaMarkt for "Samsung Galaxy S20" showing various smartphone models.
- A promotional landing page for Kassa Krakers, featuring large text and a grid of discounted products including a laptop, printer, and phones.
- A mobile phone search results page from Coolblue showing various smartphone models and their prices.
